The Game Plan

- Over 150 silent and live auction items
- Team players, coaches and alumni
- Team mascots and cheerleaders
- Kids' rally (free onsite childcare)
- Competitions, prizes and more!

The Perfect Team

Successful communities start with a strong base of middle class jobs and a diverse, stable economy. They also begin with healthy families and kids who have the support they need to learn and pursue careers. Together, Economic Development for Central Oregon (EDCO) and the Boys & Girls Clubs of Bend form a natural partnership that fulfills this promise of a thriving community.
